Why or why not?

- This session should be scheduled earlier and in a larger venue, in order to facilitate more attendance.
- It should have been bigger room with more time for discussion and interactive participation but faculty very good.

What in particular about this session would you like us to know about and why?

- Helps us think critically.
- It would have been good to focus on how we are defining strategic advocacy, the best part involved concrete examples.
- The EDS gave some good examples of how their programs use strategic advocacy.
- I wish there had been more opportunity for interactive discussion/maybe break up topics.
