**Why or why not?**

- Updates on your projects.
- There is lots of useful information here. Too much for a 1 90 minute session. Should be offered in parts 1 and 2.

**What in particular about this session would you like us to know about and why?**

- Dense but very useful information. Session requires more time.

**What are your overall impressions about the faculty at this particular session?**

- Over thoughtful presuming. Lots of useful information and references to additional resources.
- Extremely well informed.
