Why or why not?

- Perhaps a discussion on longitude studies in other substantive areas –housing?
- Faculty appears knowledgeable and presented well. Topic not covered thoroughly, and results of study don't seem to provide any newly discovered information. Many references by faculty about what "other research" shows.

What in particular about this session would you like us to know about and why?
- More focus on results and how it can help other programs.
- Excellent topic–so thrilled that there is additional research to cite for this legal issues. Thank you!
- Glad to hear input is available.
- Good to hear about funded collaboration. Both Universities, but not clear without control group that the legal intervention itself lead to the good results.
- Great session! Did a good job puling out lessons for wider community from this case study.
- Seems like maybe this study and the results too big for a slot of this conference - many remarks about what they covered not reported or included due to the limitations–felt like we barely scratched the surface.

What are your overall impressions about the faculty at this particular session?
- Great!
- Excellent!
- Very knowledgeable.
